A Cumberland Valley Railroad passenger train steams past the Cumberland Valley State Normal School (now Shippensburg University) into downtown Shippensburg (1898).

The Cumberland Valley Rails-to-Trails Council gratefully acknowledges financial support for interpretative signs along the trail provided by the Cumberland Valley Visitors Bureau. We are also indebted to the Borough of Newville and their personnel for all their support.

This project was financed in part by a grant from the Community Conservation Partnerships Program, Environmental Stewardship Fund, under the administration of the Department of Conservation and Natural Resources, Bureau of Recreation and Conservation. We are a partner of the South Mountain Partnership, an alliance of organizations working to preserve and enhance the cultural and natural assets of the South Mountain landscape in central Pennsylvania. This project was awarded through the South Mountain Partnership with management oversight of the Appalachian Trail Conservancy.

Thanks to all our trail supporters below. . . .
